### School Description

Twelve Bridges Elementary School (TBES) is a California Gold Ribbon School where students and parents are valued and treated with respect. Our ultimate goal is to collaboratively create an educational atmosphere that is safe and enriching for all students. The school is located in the Western Placer Unified School District in the community of Twelve Bridges and the city of Lincoln. The school serves transitional kindergarten through fifth grade with a current enrollment of approximately 650 students. Our Mission Statement reads: "Our mission is to develop lifelong learners by providing a comprehensive education for every student which fosters high academic achievement, positive self-worth, and responsible citizenship in an environment of mutual respect, trust, and cooperation among students, staff, and parents."

Built in 2004, Twelve Bridges Elementary was designed to incorporate a strong emphasis of outdoor learning into our student's education. In the middle of campus, there are seven learning circles which includes: a solar-powered drinking fountain, giant sundial, herb garden, and bird feeders. In grade level clusters, each class had a class garden to grow vegetables, fruit, or flowers. There is also a school orchard and greenhouse. The landscape is attractive and aesthetically pleasing with a five acre Twelve Bridges Park adjacent to the playground.

The campus is comprised of:

34 classrooms (includes 2 science, 2 music, 2 kinder, 3 Special Day Classes, 1 Resource Specialist, 1 Speech Pathologist, 1 School Psychologist, and Intervention); Library; Technology Lab; Multipurpose Room; Kitchen; Art Room; and Administration Building (Principal, Assistant Principal, Secretary, Clerk).

Twelve Bridges Elementary students are viewed as future leaders. Our goal is to create well-rounded students who are empowered to bring about positive change in our world. We have a focus on positive behavior intervention. Our PBIS "ROAR Rules" were developed to emphasize four school-wide expectations: Responsibility, Offer Kindness, Always Be Safe, and Resolve Problems. In addition, students are recognized with a "ROAR" cards for demonstrating those qualities. Our entire staff has been trained in Love & Logic and and Youth Development Institute. We have also established a K-Kids Service Club sponsored by Kiwanis International. Together with our Tiger Crew leadership program, these two groups help give our kids the opportunity to learn and practice service and leadership.

The collaborative culture at the site fosters purposeful communication and informed decision making. On a weekly basis, teachers participate in grade level Professional Learning Communities (PLC) as a school site. We have established a Leadership team comprised of the school principal, psychologist, and teacher representation from all grade-levels for shared decision making on our direction as a site. We also have a data team whose purpose is to meet twice a month to analyze data (both behavior and academic) to help guide our instruction and intervention practices. We utilize the i-Ready program to help us gather academic performance data on all of our students so we can appropriately address the individual learning needs of all of our students. We utilize our "Tiger Time" intervention/enrichment block to enable us group students accordingly. Our PBIS Team meets monthly to look at behavior data and address areas of concern as well as ways to continue promoting an overall positive school climate. Many of our staff are also YDI (Youth Development Institute) trained to work on ways to continue establishing positive, productive relationships with students and other staff members.

## About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

## A. Conditions of Learning

### State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

**School Facility Good Repair Status (Most Recent Year)**

**Year and month in which data were collected: 10/4/19**

System Inspected	Repair Status	Repair Needed and Action Taken or Planned
<b>Systems:</b> Gas Leaks, Mechanical/HVAC, Sewer	Good	Gas systems and pipes appear safe, functional, and free of leaks. There is no odor that would indicate a gas leak. Gas pipes are not broken and appear to be in good working order. Heating, ventilation, and air conditioning systems (HVAC) as applicable are functional and unobstructed. The HVAC system is operable. Sewer line stoppage is not evident. There are no obvious signs of flooding caused by sewer line back-up in the facilities or on the school grounds.
<b>Interior:</b> Interior Surfaces	Good	Restrooms: Boys by Media Center - Rusted access panel Room 304: Holes in wall from moving pencil sharpener
<b>Cleanliness:</b> Overall Cleanliness, Pest/ Vermin Infestation	Good	School grounds, buildings, common areas, and individual rooms appear to have been cleaned regularly. Pest or vermin infestation are not evident.

System Inspected	Repair Status	Repair Needed and Action Taken or Planned
<b>Electrical:</b> Electrical	Good	There is no evidence that any portion of the school has a power failure. Electrical systems, components, and equipment appear to be working properly. There are no exposed electrical wires. Electrical equipment is properly covered and secured from pupil access. Lighting appears to be adequate and working properly, including exterior lights.
<b>Restrooms/Fountains:</b> Restrooms, Sinks/ Fountains	Good	Restrooms: Boys by Media Center - Rusted access panel Drinking fountains appear to be accessible and functioning as intended.
<b>Safety:</b> Fire Safety, Hazardous Materials	Good	The fire equipment and emergency systems appear to be functioning properly. The fire sprinklers appear to be in working order (e.g., there are no missing or damaged sprinkler heads). Emergency alarms appear to be functional. Emergency exit signs function as designed, exits are unobstructed. There does not appear to be evidence of hazardous materials that may pose a threat to pupils or staff. Hazardous chemicals, chemical waste, and flammable materials are stored properly (e.g. locked and labeled properly).
<b>Structural:</b> Structural Damage, Roofs	Good	Portable Classroom 313: Dry rot on ramp, Chipping paint Science Lab: Stained ceiling tiles
<b>External:</b> Playground/School Grounds, Windows/ Doors/Gates/Fences	Good	The playground equipment and school grounds in the vicinity of the area being evaluated appear to be clean, safe, and functional. Conditions that pose a safety and/or security risk are not evident. There is no exposed broken glass accessible to pupils and staff. Exterior doors and gates are functioning and do not pose a security risk.
<b>Overall Rating</b>	<b>Good</b>	

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

### CAASPP Test Results in ELA and Mathematics for All Students

#### Grades Three through Eight and Grade Eleven

#### Percentage of Students Meeting or Exceeding the State Standard

Subject	School 17-18	School 18-19	District 17-18	District 18-19	State 17-18	State 18-19
ELA	72	72	55	57	50	50
Math	69	69	43	45	38	39

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

### CAASPP Test Results in Science for All Students

Science	N/A	N/A	N/A	N/A	N/A	N/A

Note: Cells with N/A values do not require data.

Note: This is a placeholder for the California Science Test (CAST) which was administered operationally during the 2018-19 school year. However, these data are not available for inclusion in the 2018-19 SARC posting due February 1, 2020. These data will be included in the 2019-20 SARC posting due February 1, 2021.

### State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8):

- Pupil outcomes in the subject area of physical education

### 2018-19 Percent of Students Meeting Fitness Standards

Grade Level	4 of 6	5 of 6	6 of 6
5	17.0	15.1	52.8

Note: Percentages are not calculated and double dashes (--) appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

### C. Engagement

#### State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

#### Opportunities for Parental Involvement (School Year 2019-20)

Parent involvement at TBE is the cornerstone of the school and parents are viewed as partners in the education of students. Parents are actively involved as volunteers in the classroom and participate on various committees. Our parents assist in a variety of capacities, which includes: learning centers, reading groups, math groups, field trip chaperones, Garden Docents, Art Docents, and PE Docents. Parents bring with them a broad background of expertise and experience, which enhances the learning experience for students. In addition to parents, there is a large group of Sun City Volunteers who also participate in similar roles.

The Parent Teacher Club (PTC) is very active supporting school-wide events and enrichment programs through well planned fundraisers. The PTC organizes family events such as: Restaurant Nights, Harvest Festival, Bingo Nights, the Fun Run, Family Painting Nights, Family Dance Nights, and more. The Harvest Festival, Fun Run, and Bingo Nights are the main fundraisers for the year. With the ongoing dedication of the PTC and funds raised, our school is able to host purposeful assemblies; purchase playground equipment, art supplies, and classroom supplies; provide paper and ink for classrooms; beautify the school; and purchase technology.

Our PTC also serves as our School Site Council (SSC). Documents such as the School Plan for Student Achievement, School Safety Plan, and School Accountability Report Card are reviewed and updated. The SSC also monitors progress on school-wide goals and site budget allocations.

TBE depends on parent and community volunteers to enhance and enrich the learning environment for all students. Teachers and staff continue to be grateful for their on-going participation and dedication.

**State Priority: School Climate**

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

**School Safety Plan**

The School Safety Plan is reviewed and revised annually by the School Site Council. It was last revised January, 2020. The plan includes procedures for emergencies. We practice fire drills monthly, and have four other drills (lock-down, lock-out, shelter, and a school-wide evacuation drill) practiced during the year.

Staff members monitor our playground and campus before school, during recesses, during lunch, and after school. Close supervision is employed to create positive interaction with students and to proactively stop any unsafe behavior or interactions. Staff members on duty wear an orange/pink/yellow safety vest and carry a radio for quick accessibility or locating, if needed.

The perimeter of campus is fenced, including an interior gate which forces visitors to check into the office prior to accessing the campus as a whole. Gates are locked during the school day with the exception of the main, front gate. Classrooms are locked during the school day with the exception of occasional activities or situations that require the door to be propped open. Visitors enter through the main gate, sign in at the office, and wear a visitor lanyard. Volunteers working in classrooms or chaperoning field trips must have a TB and fingerprint clearance. We have also installed numerous surveillance cameras focused on our blacktop and all of our school entrance/exit points.

We have created comprehensive classroom emergency kits in the event of an emergency or prolonged lock-down. All classrooms have a Barracuda Intruder Defense System which will securely lock the door in a lock-down situation.

### Professional Development provided for Teachers

Measure	2017-18	2018-19	2019-20
Number of school days dedicated to Staff Development and Continuous Improvement			

The collaborative culture at the site fosters purposeful communication and informed decision making. On a weekly basis, teachers participate in grade level Professional Learning Communities (PLC) as a school site. In addition, Western Placer Unified School District generally provides three Staff Development Days each year to all teachers who want to take the time to collaborate with site and/or cross-site PLC teams to continue curriculum development. We have an established a Leadership team comprised of the school principal, psychologist, and teacher representation from all grade-levels for shared decision making on our academic direction as a site. Two of our grade levels are receiving ongoing training with a consultant to align our current curriculum with the California Math Framework. Our PBIS Team has also completed our Tier III training with county coaches and meets monthly on site to look at behavior data and address areas of concern as well as ways to continue promoting an overall positive school climate. Many of our staff went through YDI (Youth Development Institute) training the past three summers to work on ways to continue establishing positive, productive relationships with students and other staff members. In addition to these established programs, other professional development opportunities that staff have taken advantage of include TESS instructional training, a GLAD refresher course, NGSS (Next Generation Science Standards) implementation training, ERWW (Expository Reading & Writing Workshop), and other more individual opportunities that teachers want to participate in. Five of our teachers attended a multi-day "Get Your Teach On" conference over the past two summers to increase engagement and rigor in the classroom. Those teachers have since shared their experiences at staff meetings and created a "Rock Your School" day focused on engaging activities earlier this year.

#### FY 2017-18 Expenditures Per Pupil and School Site Teacher Salaries

Level	Total	Restricted	Unrestricted	Average Teacher Salary
School Site	\$10,724	\$2,806	\$7,919	\$86,176
District	N/A	N/A	\$7,778	\$82,323.00
State	N/A	N/A	\$7,506.64	\$78,059.00

Percent Differences	Unrestricted	Average Teacher Salary
School Site/District	1.8	4.6
School Site/ State	5.3	9.9

Note: Cells with N/A values do not require data.

The California Department of Education issued guidance to LEAs on August 1, 2018, regarding how to calculate school-level per-pupil expenditures that will be reported on 2018-19 report cards.

#### Types of Services Funded

Categorical funds were used in 2017-18 for: purchasing assessment and communication software (Lexia, PBIS/SWIS, RenLearn, ESGI, and Canyon Creek); employing Intervention Support Providers; purchasing support materials for students such as homework folders, student planners, and vocabulary handbooks; after school band and choir; after school tutoring; enrichment programs such as Legos-Robotics; and student recognition for perfect attendance.

#### DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

#### Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.
